

PLAYER TRACKER BOARD

COMPATIBLE WITH DAGGERHEART

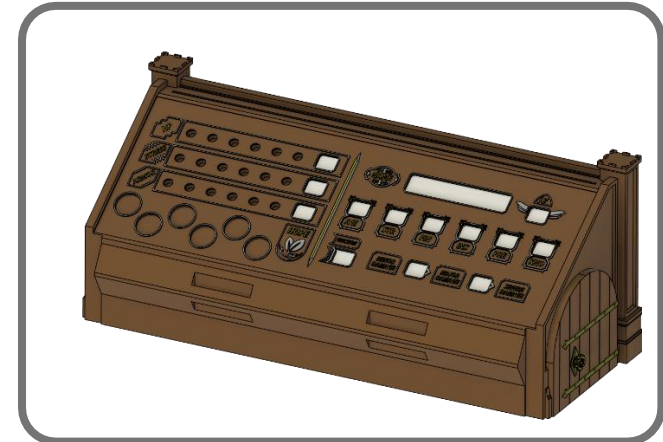

Enhance your gameplay with our customizable 3D-printed Modular Player Tracking Board — designed specifically with Daggerheart players in mind!

This compact and feature-rich board helps you stay organized and immersed throughout your adventures. It includes:

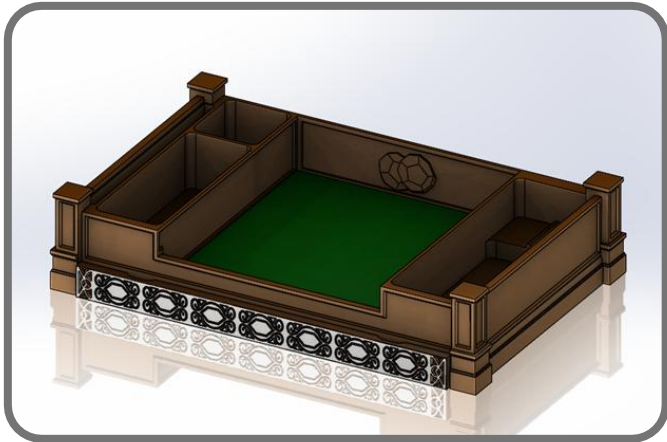

Card display	Two inclined slots on different levels to showcase equipped Domain, Subclass, Ancestry and Community cards clearly. A lateral slot serves as Vault to store unequipped cards.
Character dashboard	Keep track of your Character's Name, Level, Traits (Agility, Strength, Finesse, Instinct, Presence, Knowledge), and key stats like Evasion, Major, and Severe Thresholds.
Resource tokens	Visualize and easily swap HP, Armor, Stress, and Hope designed tokens. Each slot supports simple or double tokens for totals up to 12.
Vault card slot	A dedicated space to store your Vault cards.
Smooth felt-lined dice tray	Roll your dice smoothly within the built-in tray designed to minimize bounce and noise in a satisfying experience.
Dedicated dice storage area	Keep your full dice set organized — including a special ledge for your Duality Dice.
Multi-purpose token slots	Extra space for unused tokens, potions, items, special dice, or other game pieces.
Front expansion tray	For the extended character card, with space for: experiences, proficiency, weapons (active and inventory), Hope and Class Features, armor, money and inventory

How to use

1. Get your tokens and character cards

Carefully retrieve the resource tokens from the plastic bag tucked inside the dice storage slot. And don't forget to grab the character information sheets included with the envelope!

2. Fill in with your character statistics and information

Fill in your character's statistics and personal details to bring them to life and keep track of their journey!

Out of sheets? No problem! Print more using the last page of this instruction PDF. Remember to print them on a A4 paper with real scale!

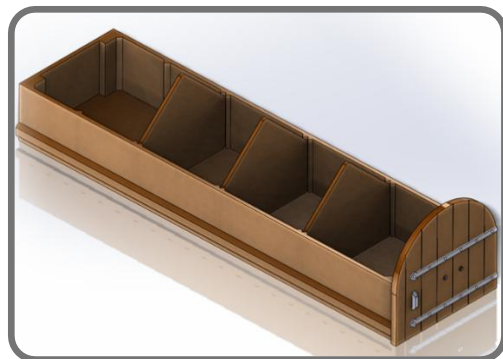

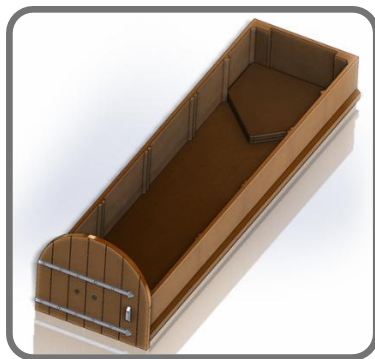

3. Play!

Time to dive in, unleash your character and let the adventure begin! The sheets and tokens will help you track your character's status and key details without missing a thing.

4. Store your tokens

Store your tokens in the side drawer—but that's not all! Customize the adjustable separators to also fit your dice, pencils, and whatever else you need for your adventure.

*This handcrafted RPG accessory is made from PLA and UV resin via 3D printing. It is intended for use as a **tabletop game aid** and **not a toy**. It contains small parts. Not food safe. Not for children under 3. Do not expose to heat or moisture. Fully cured resin may still cause irritation in sensitive users. By purchasing, you accept responsibility for safe and appropriate use.*

Product-specific warnings

Small pieces warning	It contains small parts which can pose a choking hazard . Keep away from young children and pets.
Thermal sensitivity	This item is sensitive to high temperatures. Do not store in hot environments and avoid direct contact with sunlight, especially during warm seasons.
Not food safe	These accessories should never be used to serve or store food. Do not put in mouth.

Materials glossary

PLA (Polylactic Acid)	A bio-based 3D printing plastic. Lightweight and rigid, ideal for decorative game components. Not heat-resistant.
UV Resin (Photopolymer Resin)	Used for fine details and miniatures. UV-cured to harden; must be fully cured before handling. Fragile but visually sharp.

Care & maintenance

- Wipe gently with a dry or lightly damp cloth.
- Avoid using solvents or harsh cleaning agents.
- Store in a cool, dry place away from sunlight and heat sources.
- Resin parts may be more fragile—avoid drops or pressure.
